Mark Bryson reported that HBNA has \$119,000 currently in our bank account and that the budget is in great shape. The final neighborhood monument was scheduled to be completed by Oct. 13th and the cost of the project will be fully paid as planned in 2023. Full-year budget is \$230,000 and we are 15-20% under budget as we approach the end of the year. The Board is finalizing the 2024 budget which will include an anticipated cost increase from Flock for the cameras and from Callahan Landscape for the routine landscape maintenance. The Board does not plan to ask for a change in the members' dues amount for 2024.

Mark Bryson sent out his Treasurer's report – The proposed budget was sent to the board. There is an increase from Flock anticipated. A twenty percent increase to cover the monuments was included, it will not be a recurring cost. A ten percent increase for the Beautification Committee was included to cover additional maintenance and plans. We hope to approve the budget at the next meeting however that meeting may not take place until November due to the General Meeting taking place in October. We will be buying a Zoom account for the board to use moving forward.

August 2023 Board Meeting

President Maribett Varner called the meeting to order at 8:05am. BCN update detailed report was sent to the group via email. HBNA does not have an issue at this time, the goal is to continue to support enforcing but no need to "take action" right now. We also discussed the COA Police foundation and making sure that we matched the donations and support given to COB. We matched the donations and designated the funds to the Buckhead Safety Alliance which is part of the COA Police foundation. In regard to the hedges at CCC we relayed our safety concerns for visibility and traffic/pedestrians. A meeting with the Brookhaven Committee is the next step and will continue to highlight the safety issues. Any other concerns regarding aesthetics or additional requests the board agreed should be managed by the neighbors. No update from Brookhaven Security Association was available at the time of the meeting but an email was sent after with a few items to share.

Courtney Schickel the Secretary was unable to attend the previous meeting in person but notes were provided by Shelby Cobb. The previous meeting minutes were approved.

Mark Bryson sent out his Treasurer's report prior to the meeting for review, everything is tracking as planned. The topic of changing dues was brought up, the board feels that we should ideally avoid an increase this year. There is an increase from Flock anticipated. If any other budget adjustments are anticipated, please let Mark know asap.

July 2023 Board Meeting

Opening Business: President Maribett Varner called the meeting to order at 8:05am.

New Business: The City of Brookhaven Police Foundation solicited HBNA to be a donating sponsor for their 5k run benefitting their annual Christmas toys- for-children drive. Bob made a motion for HBNA to donate \$500, Carole seconded, and the motion unanimously passed. Mark B. and Bob suggested we continue a donation discussion at the August Board meeting with an eye toward contributing to BSA and to the APD Buckhead initiative to increase the number of patrol cars for that area.

City of Atlanta requests that we talk with Mayor Dickens' ombudsman office about what HBNA sees as needs for the City of Atlanta. This project will include dialogue with representatives from many other neighborhood associations. Bob Connelly volunteered to be our representative and will enter into a conversation with that office. Thank you, Bob!

The new date for the Annual Street Party will be September 29th, since Rebecca could not be present on the prior date of September 22nd.

June 2023 Board Meeting

Opening: Treasurer Mark Bryson called the Zoom meeting to order at 8:05am. There being a quorum present, Bob moved to approve the May Minutes, Mark R. seconded, and the Minutes were unanimously approved. Mark B. commented that prospects for the next HBNA Treasurer are still being sought, and Board members were encouraged to suggest potential candidates for that position and one other Board member opening.

Stephanie McGarity and Crime Update: Neighbors have initiated formal communication with the Board in the aftermath of recent vehicle break-ins. There were several cars rifled on Vermont Road, two on Winall Down, and one on Club Drive. Nothing of value was stolen and there was minimal damage, though the extent of the spree resulted in neighbors' great unease and concern. In addition, an interior unit at The Aldridge was burglarized between June 8-11. Homeowners were away and renovation work was underway. Thieves took their time and "went through every drawer." Stephanie noted that APD is not prioritizing these types of crimes. Pete Fite is our contact at APD, and we are asking for additional surveillance. Stephanie added that our own BSA officers are doing more than APD to research this rash of criminal activity. It is believed that one perpetrator came into the neighborhood from the Phipps Plaza area and the car

was registered to an owner at an extended stay motel in Sandy Springs. Stephanie will update the Board and neighborhood with additional information as it becomes available. The BSA budget is \$150,000 per year. Patrol hours have been increased.

Treasurer's Financial Update: Mark B. emailed current financials to the Board ahead of the Board meeting. He reported that we on budget, we are one-third of the way through our budgeted expenses, and that there are no concerns at this time.

May 2023 Board Meeting

Mark Bryson sent out his Treasurer's report prior to the meeting for review, everything is tracking as planned. Monuments are in progress and the first invoices were paid. Flock has sent an invoice that we are following up with due to what appears to be a clerical error. Courtney Schickel the Secretary was unable to attend the general meeting but notes were provided by Shelby Cobb. The previous meeting minutes were approved via email and sent to Mark for the website.

Julia and Tom will check with potential candidates they know. Time requirements are minimal and all business is online via QuickBooks. **Treasurer's report:** Mark B. shared that financials are in good standing. He has written an SOP for the Board's financial matters. He is working with Bob Connelly and Matt (Brick Concepts) regarding the first payment (just under \$10,000) for the new monuments, since contract is signed.

February 2023 Board Meeting

He then made a motion to approve the 2022 financials, Mark Roberts made the second, and all others approved. The Board then addressed the topic of the budget for 2023. The items, notes and feedback brought up by the Board were taken into consideration in preparing the new budget, with the main item of discussion being the budget allocation for the cost of constructing new monuments. There was an adjustment also to cover the increased cost of the General meeting based on current quotes. The landscaping budget was reduced from the 2022 spending but it was confirmed that the budget includes the increased fees for regular maintenance and that the committee agrees to a smaller budget for landscaping projects since several significant planting projects were completed in 2022. Mark made a motion to approve the budget noting that continued discussions and potential adjustments could be made on landscape items as the year unfolds. Mark Roberts second, all others approved. The next project to tackle is the tax returns as well as identifying a good candidate for treasurer next term when Mark moves to the role of President.

Courtney Schickel the Secretary had sent the minutes for review prior to the meeting. The minutes were approved.

A BCN Representative is also needed.

There was not a Secretary's report due to transition of the position and we held the Fall General Meeting (notes now published) instead of the regular October meeting.

Mark R. asked about bills from Flock; Mark B. replied that no bills have been received from Flock. We pay Georgia Power bills. Maribett asked Mark B. to check with Tom about Flock bills. Reportedly, Flock is having some growing pains and the billing dept. is one of those areas. Carole stated that beautification spending is forthcoming. May 2022 Board Meeting

OPENING and President's Report: Mark Roberts led the meeting for the HBNA President, Maribett Varner. Mark called the meeting to order at 8:10 a.m. with an update on the traffic light issues at Cherokee Plaza. Ben Raney has acted as the contact person for HBNA for a proposed traffic light at Brookhaven Drive and Peachtree Road. Most traffic issues at Cherokee Plaza are at Starbucks. The new owners of Cherokee Plaza are New Market Properties. Currently HBNA and the City of Brookhaven propose Starbucks find a traffic solution to handle the high volume of traffic at their business. Starbucks is not a part of New Market Properties. New Market Properties is asked to find a reason that the proposed traffic light is needed for Cherokee Plaza.

Secretary, Anne Culberson: Anne distributed the April Minutes by email for corrections. The Minutes were approved and will be posted to the HBNA website.

Treasurer, Mark Bryson: Mark reported, "The financial position of the HBNA is strong and the organization is operating in accordance with the approved 2022 budget."

April 2022 Board Meeting

Opening and President's Report: Maribett Varner, HBNA President, called the meeting to order at 8:10 a.m. Maribett began the meeting with a follow-up discussion of the proposed light at Brookhaven Drive and Peachtree Road. Eli Veith, Traffic Engineer for the City of Brookhaven, and Ben Rainey, an HBNA member, led a discussion of the proposed traffic light at the HBNA General Meeting. Mr. Rainey has spoken to DOT and he will explore steps with DOT to oppose the proposed traffic light. Mr. Rainey will seek legal consultation for possible opposition to the traffic light.

The City of Brookhaven will have input on the issue as well. Maribett suggested that HBNA make a motion to take a position on the proposed traffic light. Mark Roberts moved, Wade McKenzie seconded the motion to oppose the proposed traffic light, and the motion passed unanimously.

Secretary, Anne Culberson: Anne distributed the March minutes by email and they were approved by email vote prior to the meeting. The Minutes are posted to the HBNA website.

Treasurer, Mark Bryson: Mark reported, "The financial position of the HBNA is strong and the organization is operating in accordance with the approved 2022 budget."

March 2022 Board Meeting

Opening and President's Report: Maribett Varner, HBNA President, called the meeting to order at 8:10 a.m. Hope Bawcom was welcomed as a new Board member.

Maribett introduced The Signature Streets Initiative led by North Buckhead Civic Association. The initiative is also supported by Councilman Howard Shook, Buckhead Community Improvement District and other civic organizations. North Buckhead Civic Association has a long-term plan focusing on specific locations in their neighborhood. NBCA is asking HBNA to contribute funds and to support the Peachtree Dunwoody Road phase of The "Signature Streets" Project. Wade McKenzie moved to approve the funds and Mark Roberts seconded the motion. The HBNA Board approved \$2750. for the Peachtree Dunwoody phase of the initiative. Shelby Cobb invited everyone to the Transportation Committee Meeting on Wednesday, March 30 at 4 p.m. with Robert Patterson to discuss the project.

The synopsis of the project is noted below in Maribett Varner's summary.

"Signature Streets" Initiative

Lead by The North Buckhead Civic Association

Goal: To improve major arteries in terms of safety, attractiveness, and neighborhood identification

Areas of improvement: West Wieuca, Old Ivy and Peachtree Dunwoody (bordering Historic Brookhaven)

Accomplishment to Date: Hiring consultants (Pond & Co.) to create a master plan for accomplishing above goals on West Wieuca Road and Old Ivy Road

Cost of initial plan \$45,000 largely funded by BCID (Buckhead Community Improvement District)

Next Steps: Secure funding for the plans (staged and prioritized). NBCA does not intend to fund any of the changes.

Howard Shook's office is in support of this initiative and that might help with funding from the COA. Other theoretical sources: TSPLOST Initiative (on ballot in May), BCID, Liveable Buckhead, Buckhead Coalition and others.

Ask of HBNA: NBCA wants to move forward in creating the master plan for Peachtree Dunwoody Road using Pond & Company. Because much of the groundwork has been laid, the cost from Pond is \$11,000. BCID has agreed to pay half of the cost. Of the remaining cost \$5500. NBCA would like us to split the cost- \$2750. from each neighborhood organization.

That would give HBNA input to Pond & Company about what's important to Brookhaven; Better parking at Little Nancy Creek Park

Enhanced strategies for dealing with cut-through traffic

Speeding

Better usability of Peachtree Dunwoody Road for pedestrians

NBCA does not expect us to put up funding for improvements. NBCA wants to have the plan in place for West Wieuca Road, Old Ivy Road, and Peachtree Dunwoody Road.

Maribett, HBNA President, also discussed the traffic light proposal at Brookhaven and Peachtree Road facing the Kroger grocery store. The Transportation Committee Chairman and co-chairman issued a recent report on the proposed traffic light for the Kroger Shopping Center.

Maribett discussed the Zoom call on February 23, with Brookhaven City Council Representative, Madeleine Simmons, and other interested parties including the owners and some HBNA Board members. Currently, the proposed traffic light is directly across from the Brookhaven Drive entrance to the neighborhood. Residents in the area object to the traffic issues that will arise if the proposed traffic light invites more cars into our neighborhood. The last time this proposal was submitted, it was declined by the City of Brookhaven because it was not compliant with the Brookhaven Overlay. DOT is the first level of approval for the current request. New Market Properties manages the shopping center and Preferred Apartment Communities owns the property. There is a possibility that new leases are being issued as redevelopment may occur in the future. The Historic Brookhaven Neighborhood is looking at alternative traffic patterns if the light is approved in the proposed location.

Secretary, Anne Culberson: The February Minutes were delivered by email to each Board member prior to the meeting for proofing. Wade McKenzie moved to approve the February Minutes and Mark Roberts seconded the motion. The February Minutes were approved.

Treasurer, Mark Bryson: Mark states, "The financial position of the HBNA is strong and the organization is operating in accordance with the approved 2022 budget."

The Board discussed the deficit currently due to security camera expenses. After the discussion, Wade McKenzie made a motion to raise HBNA dues by \$50. in 2023. The motion carried and passed. The dues will total \$200. yearly. Mark Bryson states the increase will not cover all camera expenses but places the association in a more sound financial position.

The Board approved a donation of \$300. for the Krewe Parade in Club Forest. The parade will be held on March 20. All neighbors are invited to participate.

February 2022 Board Meeting

Opening and Present's Report: Maribett Varner, HBNA President, called the meeting to order at 8:10 a.m. Maribett called for an election of the nominated treasurer, Mark Bryson. Shelby Cobb made a motion to nominate Mark Bryson for Treasurer and Anne Culberson seconded the motion. Mark Bryson was elected unanimously to succeed Brian Ruediger as the Treasurer. Maribett encouraged the Board to discuss use of reserves in the proposed HBNA budget.

Treasurer, Brian Ruediger: Brian states, "The Historic Brookhaven Neighborhood Association begins 2022, with a sound balance sheet, strong reserves, and the ability to meet expected expenses. After careful consideration, the HBNA Board has approved the 2022 budget, with continuing emphasis on neighborhood beautification and safety." Brian notes the approved 2022 budget was emailed to each Board member this week. Discussion continued regarding expenditure of reserve funds for the current budget. It was suggested the Board keep a set amount in reserves such as \$100,000. The biggest budget expense is currently security cameras and license plate readers. Options were discussed to cover camera expenses such as raising dues or a fundraising campaign. It was noted that many neighbors do not realize the Flock system is not covered by HBNA dues. Carole Simpson noted if we raise dues, communicate it is for security expenses. Bob Connelly and Mark Bryson proposed that we need to decide a set amount

for reserves. Mark suggested that he and Brian Ruediger meet to discuss a long term cash projection for HBNA. Dues, reserves, and projected expenses will be considered to set a reserve minimum and dues for 2023.

January 2022 Board Meeting

Opening and President's Report: Maribett Varner, the new HBNA President, called the zoom meeting to order at 8:10 a.m. Maribett sent every Board member the list of HBNA committees with assigned Board members. Please check to see if each Board member is assigned to a committee and if this is where you prefer to serve. Brian Ruediger, treasurer, will be transitioning out of his current position. Mark Bryson plans to transition to the treasurer's position. Thus, the Board needs a new Dekalb or City of Brookhaven zoning chair. August starts a new nominating process for the Board. Maribett called for committee reports.

Treasurer, Brian Ruediger: Brian states, "The Historic Brookhaven Neighborhood Association starts 2022 in sound financial condition. The Board of Directors is currently creating this year's budget based on our financial strength and anticipated 2022 member contributions." The budget for 2022 will be discussed in the January 20 Board meeting and finalized by email.

Secretary, Anne Culberson: The November HBNA Board Minutes were reviewed and corrected by email prior to the January 20 meeting. The minutes were unanimously approved and will be posted to the HBNA website.

Treasurer, Brian Ruediger: After Executive Committee reports, Brian was asked to discuss the 2022 Budget with the HBNA Board. Brian has previously emailed documents including HBNA Budget Overview for January-December 2022, HBNA Profit Loss Document for 2021, and HBNA Balance Sheet as of December 2021. Brian has composed a preliminary budget based on what was spent last year. Each committee should set a spending cap or limit for 2022. A small part of the savings or reserve was spent last year as planned. HBNA had several projects such as landscaping restoration and new park benches as well as improving our CCTV and LPR Surveillance security system. The CME (beautification) and Flock Cameras as well as LPRs are the two largest budget items. Surveillance costs about \$75,000. per year. Based on neighbor feedback the Board feels beautification, transportation, and security are highest priorities. Currently, we propose to spend a maximum of \$58,000 for 2022 from our reserve or savings. The Board plans to keep a minimum of \$80,000. In savings. The Membership chair projects approximately 750 households will pay dues in 2022. Thus, memberships and surveillance donations paid by HBNA members support most of our budget needs. The Board projects a minimum income of \$115,000 from dues and \$15,000 for surveillance donations. HBNA files a tax return that follows guidelines much like a nonprofit.

The following committee chairs also discussed their budgets with the Board:

Monuments: Historic Brookhaven Foundation will fund the cost of erecting two monuments on Fuller Road, taking down the decaying monuments at Brookhaven and West Brookhaven, as

well as Carter Drive, and replacing the monument on West Club Drive. The Historic Brookhaven Foundation funds will also clean and seal remaining monuments.

Beautification: Expected major expenses include contracted landscape maintenance service, new holiday wreaths, restoration of two landscaped islands in Club Forest, and any incomplete restoration of green space.

Events: Expected expenses include fall neighborhood picnic, meeting space for biannual neighborhood meetings, signage, and possible Club Drive Halloween party donation. Rebecca Harvill would like to add clean up costs to the fall picnic.

Treasurer: Brian discussed the cost of insurance, PayPal, taxes, and possible legal fees.

Charitable Contributions: Per request yearly such as Nancy Creek Park.

Zoning: Variable amount each year based on need.

This concluded Board review of 2022 Budget needs by committees.

There are some neighbor's in our neighborhood who would like to ask the Board to work with the NPU to reconsider how each neighborhood might be able to have a voice in establishing guidelines on - how long, what hours of the day, where the filming can and cannot go on etc...and submit those recommendations to the City.

3. Annual Membership Meeting- 4/25 The members wanted to suggest we invite Sameer, Foresight traffic engineer for HBNA to share the findings of the traffic study and also explain how we will address the traffic issues within our neighborhood. We will need an agenda and to arrange for his presentation. We also need to decide if we will want to meet prior to our Annual meeting to discuss any items that are outstanding.

November 2014 Board Meeting

President

Lisa Martinez opened the meeting with a welcome of new board members.

Maribett Varner gave a report of the nominating committee (which consists of Cathy Boston, Bob Connelly, Susy Stovin, Gay Colyer, Carole Simpson and Maribett Varner).

The Nominating Committee has met to replace the three most recent Board resignations. There has been a desire to identify members of HBNA who can serve on the following specific Committees: Zoning, Communications, Events

Mark Roberts furnished a list of people who'd volunteered in the past and that list was reviewed. An email was sent to the 27 HBNA members who volunteered to determine whether they were still interested and what their specific interest was. 10 have responded so far.

It is anticipated that a new slate of candidates will be presented for a vote at the December meeting.

It was noted that the bylaws call for new director's terms to start in December of the first year following their election at the Fall board meeting and that the wording of this language is somewhat confusing due to the timing of the Fall General Meeting. It was suggested that this be revisited by the by-laws committee next year.

A motion was made to approve the slate of officers.
The motion passed with 13 yes and 2 no.

Lisa then revisited the conflict of interest discussion from previous meetings. There was further discussion about what may or may not be a conflict of interest or appearance of conflict of interest for board members.

Secretary

Wade McKenzie gave an overview of the Secretary's responsibilities according to the by-laws and how minutes are prepared, reviewed and published. A motion was made to approve the minutes of the October board meeting and October General meeting. The minutes were approved unanimously.

Treasurer

Brian Ruediger previously distributed current financials indicating the HBNA was in good financial standing, tracking to budget, all bills are paid. HBNA continues to be in strong financial position. We will maintain approximately \$53,000 in reserves if we spend everything that is budgeted for the remainder of the year. VP's will need to request new budgets for 2015 for any items budgeted this year but not spent this year.

October 2014 Board Meeting

President

Lisa Martinez opened the meeting with discussion of the following:
Based on her experience in volunteer organizations her main goal as President is to ensure an effective governing body. It is essential that the by-laws are followed particularly as our board has a direct line to the city of Atlanta Neighborhood Planning Unit and a seat on that body. Maribett Varner noted that there are still some areas of the by-laws that are unclear and that we should continue to improve and clarify the by-laws moving forward.

Secretary

Wade McKenzie presented the minutes of the September board meeting for approval by the board. The minutes were approved unanimously.

Treasurer

Brian Ruediger previously distributed current financials indicating the HBNA was in good financial standing, tracking to budget, all bills are paid. HBNA continues to be in strong financial position. Mark Roberts noted that we will not spend the printing budget for 2014 as we will use the current leftover stock of printing materials. He noted that the money will however need to be budgeted for 2015.

September 2014 Board Meeting

President

Lisa Martinez opened the meeting with discussion of the following:

Brookhaven Forest

This is a new subdivision being created in Historic Brookhaven. Specifics are:

- Single sided street developed from property at 3005 Mabry Road.
- 4 lots no smaller than 23,900 sq ft (.55 acres).
- R-100 zoning allows lots as small as 15,000 sq ft.
- Potential for house on other side of street if owners on other side of lot sell.
- 2 board members are currently involved in the project. (Melissa Bryson, Mike Elliott)

There was discussion about what (if anything) HBNA should be doing to insure the project is in keeping with the look and feel of the neighborhood. A question was raised if there were other single sided streets in the neighborhood and if that is allowed in Fulton County.

There was discussion about the potential for the appearance of a conflict of interest with board members sitting on the zoning committee and also actively involved in development in the neighborhood.

A zoning subcommittee was established, the Brookhaven Forest Subcommittee, consisting of Carole Simpson, Lisa Martinez and Gay Colyer in order to advise the board regarding any position relative to the development.

The following motion was made: Any board member who has a conflict of interest or potential perceived conflict of interest on matters affecting HBNA should disclose and then recuse themselves from committee discussion or votes relating to that topic. The motion passed unanimously.

Lisa is to share with the committee points HBNA Board has used previously to consider for any potential developments in or adjacent to the neighborhood.

City of Brookhaven Comprehensive Plan

The COB published their Comprehensive Plans on line (over 1,000 pages). The Historic Brookhaven Neighborhood is mentioned frequently in the document. Due to the magnitude of the document and potential impact the plan may have on the neighborhood it was determined that it would be helpful to have an attorney review it and advise HBNA. Carl Westmoreland has agreed to review the plan on behalf of the HBNA on a pro bono basis. It was discussed that we need to be clear with Carl what we are asking him to do. We also need an electronic copy of the plan (at least the sections/pages that affect the neighborhood).

It was suggested that we look at what other communities gave as input to the plan.

A subcommittee was established, the Brookhaven Comprehensive Plan Subcommittee, consisting of Carole Simpson, Lisa Martinez and Gay Colyer in order to advise the board regarding any position relative to the comprehensive plan.

City of Atlanta Historic Subdivision Plan:

Bob Connelly reported that the NPU recommended the plan be sent back to council due to it being incomplete.

Secretary

Wade McKenzie presented the minutes of the August board meeting for approval by the board. The minutes were approved unanimously.

Treasurer

Brian Ruediger previously distributed current financials indicating the HBNA was in good financial standing, tracking to budget, all bills are paid. \$35,000 of the \$109,000 budget has been spent so far. HBNA continues to be in strong financial position. We maintain approximately \$53,000 in reserves.

Brian reminded us that any vendor over \$600 needs to provide a W-9 because Brian must report the vendor's tax ID on 1099's at the end of the year.

Bob Connelly asked if we need liability insurance or bonds from vendors also. Need to research.

August 2014 Board Meeting

President

- A mailer is being put together
- Soliciting sponsors for funding (a total funding goal of \$65K is proposed)
- GA Bank has been contacted as a lead sponsor at the \$8K level.
- In response to the question from Lisa Martinez about what level of involvement from the board is being requested, it was noted by Mike Elliot and Dick Diedrich that they already had support from a number of HBNA members and residents and that HBNA is being asked to provide invoicing and accounting support.

A motion was made for HBNA to be an official community supporter and to provide invoicing and accounting support for the proposed book of Historic Brookhaven. The motion passed unanimously.

Lisa Martinez referred the board to a copy of the new City of Atlanta (COA) subdivision ordinance which she had emailed previously. The NPU asked that the ordinance vote be tabled until they could clarify what the intent and the potential impact of the ordinance is to us. There was some discussion about how the ordinance may impact border properties in the HBN area.

Lisa Martinez clarified the city ordinance relative to political signs in the common areas after an issue arose between two neighbors over this topic at one of the triangle parks in HBNA. Political signs are not allowed in the common areas. An email will be sent out from HBNA regarding this and it will be posted on the HBNA website.

Lisa Martinez brought up the need for planning for board member succession per the by-laws with a goal of developing a slate of candidates prior to the General Meeting in October. A motion was made to remove Sam Levine from the board as he has been unable to attend the monthly board meetings. The motion passed unanimously.

July 2014 Board Meeting

President

Lisa Martinez opened the meeting by giving the floor to Mike Elliot and Dick Dietrich who presented a proposal for a coffee table style book focusing on the original historic neighborhood as defined in the U.S. National Register of Historic Places. The working title of the book is *Historic Brookhaven – A Special Place*. Dick Dietrich is an HBNA member and publisher of similar books i.e. *The 19th Hole*, *Recreational Facilities*, *Legendary Golf Clubhouses*. Dick would be the author/editor of the book. The cost for producing the book is proposed to come from sponsors and book presales. If successful, the sponsorships alone could fund the book production cost and incremental revenue would be available to HBNA. HBNA would be responsible for promotional assistance among neighbors and potential sponsors, financial accounting, physical handling of the book orders, among other things.

Secretary

Wade McKenzie presented the minutes of the June board meeting for approval by the board. The minutes were approved unanimously.

It was suggested that any additional comments should be referred to Susy Stovin for planning.

Glenn has served on the BCN for 4 years and suggested it may be desirable for another interested resident to succeed him.

Lisa Martinez then gave the floor to Jed Beardsley, President of HBF for a presentation of the foundation's activities. Jed Beardsley noted the following:

- Brookhaven police scholarship fund is being administered by HBF and that the April 7th, golf tournament supporting the fund had raised over \$25,000 so far. Officers interested in obtaining scholastic funding for their children or for their own education will apply for grants from the fund.

As the board has become larger, Lisa Martinez noted that in order to keep the meetings functional and efficient within the expected time frame she would like to improve the flow of the meetings using some of the general tenets of Roberts Rules of Order. Specifically, board members need to obtain the floor (from the President) by raising their hand in order to speak and

then direct conversation to the speaker. Motions will be restated by the President for clarity and accurate inclusion in the minutes and if there is no opposition to a motion that has been seconded it can be voted on without discussion. If there is opposition to the motion as stated it will be discussed prior to voting.

Lisa Martinez also urged everyone to use technology to be more effective. Specifically, we will be sending reminders of board and committee meetings using the HBNA's Constant Contact software.

Lisa asked how people are to communicate the city regarding neighborhood events. Bates said that is a work in progress and that they are trying to improve communication regarding events planned within the city.

Regarding the zoning issue at the Tomlinson property said personally believes the development as originally proposed should not go forward on that site. Rather, something more suitable to the overlay should happen.

Bates said he would like the Brookhaven Police Dept. to attend the HBNA board meetings going forward at HBNA's invitation.

Secretary

The August minutes which were previously distributed via email were presented and unanimously approved by the board.

Carole asked if we could get the board meeting agenda out in advance. Wade will also include a reminder in the email accompanying board meeting minutes.

Treasurer

Brian R. previously distributed current financials indicating the HBNA was in good financial standing with all expense items either at or under budget YTD. He is in receipt of (34) the 2014 dues checks so far.

September Board Meeting

President

Lisa M. gave opening remarks reporting that the Capital City Club has been very supportive of accommodating the HBNA board meetings and that Frank and Lisa have been invited to attend monthly CCC board meetings for updates and to facilitate partnership.

Bates Mattison (City of Brookhaven Council) attended the meeting to provide updates and answer questions regarding the new city of Brookhaven. He communicates with three neighborhood associations in the City of Brookhaven: HBNA, Brookhaven Fields, Lenox Park.

Bates asked the Brookhaven Police Dept. to attend the HBNA board meetings going forward at HBNA's invitation. He also will ask the city's Manager to provide HBNA with N PUB monthly report to keep us apprised of latest events. They are receiving a large load of land disturbance permit requests and are trying to keep to their goal of 10 day turnaround.

He reported the BPD has 54 officers with 4 officers pending hire and 4 civilian employees pending hire. They are trying to maintain a maximum 3 minute response time to all calls. He noted their officers have an average of 11 years of experience and are outfitted with all new equipment.

He noted the city's goal of "cleaning up" Buford Highway with the Apartment Inspection team working collaboratively with apartment owners to conduct code compliance inspections of all apartments, which faced a 6 year backlog, within the next 18 months. They have given apartment owners advance notice and expectations of what the inspectors would be looking for. There is a \$500K block grant available to assist owners with financing any needed improvements.

COB is set to hire their Parks Director October 1st and developing a Parks plan is a high priority for the city.

A transportation plan is also a high priority. There was discussion about the increasing problem at the intersection of Brookhaven Drive and Peachtree. COB doesn't have a point person yet for traffic but has an RFP out for traffic engineering work.

Bates introduced Lt. Branden Gurley, brandon.gurley@brookhavenga.gov the Public Information Officer for BPD. Lt. Gurley gave an update on policing activity and offered to meet with HBNA each month to provide communication and crime stat updates. He also cited stepped up patrolling on Buford Highway, fluid communication with other agencies, neighborhood patrols, seized asset policy, illegal drug use issues (increased methamphetamine vs. marijuana).

Bates concluded mentioning a Food Truck Rodeo upcoming at Blackburn Park.

Lisa Martinez made a motion for HBNA to run a balanced budget for 2013, i.e. only budget expenses equal to actual current year income, effectively leaving the prior year cash balance in reserve. The motion was approved by unanimous vote of the board.

March Board Meeting

Secretary

The February minutes which were previously distributed via email were presented and approved by unanimous vote of the board.

Treasurer

Brian Ruediger distributed 2012 and 2013 financial statements. He noted that the budgets shown in the 2013 financial statements were draft and incomplete pending the board's recommendations and approval of committee budgets.

February Board Meeting

Lisa Martinez discussed the desire to have the committees meet regularly between board meetings and to publish meeting times so that members could attend if they want.

The January minutes were presented and approved by voice vote of the board.

Karen Spitz presented an overview of the 2012 Financial Statements and detail of the major expense items by category. HBNA had Revenue of \$70,850, Expenses of \$43,355 for a Net Income of \$27,495. The balance sheet ended the year well in the black which is an improvement over some recent years. It was noted by Brian Ruediger and others that we need to have plans to spend the funds on Neighborhood items in order to maintain the current favorable tax status.

There were a couple of questions about specific expenditures and Lisa asked that for the sake of time and staying on agenda, those items be addressed directly to Karen or Brian outside of the board meeting. It was suggested a conference call could be set up to accommodate specific questions.

For 2013 Karen recommended increases in the budget for maintenance, zoning, and projects. She recommends dropping the printed newsletter from the budget.

Lisa Martinez and Karen asked that each committee bring their budget request to the next board meeting so that the 2013 budget could be established.

January Board Meeting

Lisa Martinez gave a brief introduction noting the desire to organize the HBNA with more committee level involvement and more neighborhood participation. Toward that goal Susy Stovin has rescinded her resignation and rejoins the board providing representation for the District 3 area. It was noted that another representative from District 3 was needed and Susy was encouraged to recruit that person.

Lisa announced a By-laws Committee Meeting to be held next Friday, January 18th at J. Christophers. The purpose is to review the current by-laws, draft any needed edits or changes and present the draft to the full board for review (goal is March) and approval (goal is April)

prior to presentation for approval at the General meeting in May. Anyone interested is welcome to attend.

Future board meeting dates were discussed. Going forward the meetings will be on Wednesdays. The need to continue to meet throughout the year instead of taking the summer off, per historical precedent, was discussed. Most board members agreed it made sense to meet year round.

The general meeting was discussed briefly. The date would need to be confirmed with The Capital City Club in order to use their facility. Monday seems to work well since the club is closed on Mondays for normal member activities although staff is present.

Standing committee assignments for 2013 were reviewed and they are listed below on the attached:

It was noted that the Chair of the Transportation Committee is an interim board member. It was decided to discuss this at the upcoming By-Laws Committee meeting.

Lisa Martinez asked that the standing committees decide on their meeting times and post those times so that interested members could attend.

The December minutes were presented and approved by voice vote of the board.

Karen Spitz was unavailable due to a family emergency so the Treasurers Report was deferred to the next board meeting. There were no significant known changes to the HBNA finances since last board meeting. Development of the 2013 budget will be differed until the next board meeting.

December Board Meeting

Following a brief introduction by Frank Clementi, the open position of Secretary was discussed. Wade McKenzie volunteered and was elected by voice vote.

The plan to develop District Representatives for the neighborhood was discussed. It was noted that District 3 as designated on the new neighborhood map needed representation and there was agreement to recruit someone for this.

Lisa Martinez presented an overview of the current standing committees and the need for Chair/Vice Chair leadership of each. The desire to have those committees meeting independently of and present their activities to the Board was discussed in order to give the HBNA more "bandwith" to conduct its affairs. Each Board member was given a form to fill out indicating committee preferences. These were to be completed and returned to Frank Clementi. It was noted that recruitment of committee members would be helpful. It was also noted that we could use more help with the DeKalb side of the neighborhood. Hope Bawcom expressed interest in assisting with that.

The HBNA Board meeting format and timing was discussed. The plan is to meet monthly on or about the 2nd Wednesday of each month. Lisa Martinez will send out a meeting calendar for the upcoming year. Time of day for the meetings was discussed with most attendees saying mornings worked well although a mix of morning and evenings may work also.

Karen Spitz gave the Treasurers report and presented the HBNA financial statements. It was noted that the balance sheet was in a strong position relative to recent years. The budget process for 2013 will take place in January – February. Currently there are 510 dues paying members with payments still coming in daily. Karen announced plans to transition the financial functions to Brian Ruediger who is a CPA and prospective board member.

There was discussion about the difference between the HBNA and the Historic Brookhaven Foundation (HBF). The HBF has a separate board, it is organized as a charitable entity and it's solely dedicated to funding long-term capital improvement projects to benefit the neighborhood. The HBF raises funds independently and is also the beneficiary of some matching funds from HBNA. (i.e. HBNA granted \$7,000 to HBF in 2012 for improvements to the historic monuments at the entrances to the neighborhood.) It was noted that the current board of HBF consists of Frank Clementi, Mark Roberts, Mike Elliott, Jed Beardsley and Cathy Ionnatti.
