

HBNA MEETING, Zoom Meeting

September 24, 2020

Board Members Attending

Blake Dexter, Nikki Stephenson, Wade McKenzie, Gene Hooff, Carole Simpson, Cathy Boston, Mark Roberts, Bob Connelly, Brian Ruediger, Maribett Varner, Courtney Stickel, Rebecca Harville, Melissa Bryson, Anne Culberson

Executive Committee

President, Susy Stovin, spoke of joining with the other north Atlanta neighborhoods against illegal street racing and illegal motorist activities. Support was given by the HBNA Board. Newly nominated board members are Wade Copeland, Tom Mallory, Cathy Ianotti, Shelby Cobb, and Mark Bryson.

Next board meetings are Oct. 15 and Nov. 19.

Secretary, Anne Culberson, distributed the minutes by email. Minutes approved.

Treasurer, Brian Ruediger, states, The Historic Brookhaven Neighborhood Association continues to be well funded, with sufficient resources to meet all anticipated expenses.

Committees

Cameras, Blake Dexter, Blake Reports, HBNA is changing contract to Flock. For less cost, there will be more cameras and license plate readers. The transition from Ga Power has been slow. All equipment will come down and be replaced. City of Atlanta and City of Brookhaven have access to the camera data.

Communications, Mark Roberts, notes that HBN invoices are going out soon. There is a request to support security cameras and license plate readers.

There will be an email going out for safety guidelines on Halloween.

Beautification, Carole Simpson, discussed pruning and planting at Davidson and East Brookhaven micro park. The committee is also working on a low granite wall and granite curbing at Carter Drive green space. Carole is working on a cost saving proposal for stone work. Recent focus of HBNA funding has been to improve micro parks and green spaces.

Transportation, no report given.

Gene Hooff, filming, no current activity.

Zoning, Cathy Boston, City of Atlanta is currently discussing guidelines for private short term rentals and rentals thru platforms such as VRBO.

Respectfully Submitted,

Anne Culberson
