Historic Brookhaven Neighborhood Association Board Meeting
Thursday, June 18, 2026
Capital City Club

Attending: Gene Hooff, Anne Culberson, Mark Roberts, John Higley, Maribett Varner, Mark Bryson, Ann Short, Liz Shults, Shelby Cobb, Bob Connelly, Christy Campbell

President Gene Hooff called the meeting to order at 8:05 a.m.

Gene discussed the Fall General Meeting and that he'd reached out to Benjamin Vayens for COA Police to be on a panel with the Flock President Garrett Langley. He also mentioned reaching out to Benjamin Shuler for COB Police. He's in charge of traffic safety and might be a good addition to the panel.

Maribett Varner, Secretary, reported that the Minutes from the May meeting had been distributed and just needed to be approved. Mark Roberts made a motion which was seconded by John Higley. Minutes were unanimously approved.

Treasurer Steve Wakely was absent but sent out his report. It's still early in the fiscal year and everything is on track.

John Higley, Committee chair for Cameras, informed us that the cameras were all up and running and there were no problems.

The Community Maintenance and Enhancement Committee was reported on by Christy Campbell.

- Callahan trimmed limbs near the Flock camera at Vermont/Peachtree for camera to be operational.
- Large tree fell from Mayson Ravine (where East Club Lane meets Davidson) into Susan Anderson's yard. No damage to the house but a great deal of damage to her landscaping, fence, etc. She cleaned up her yard and the logs from the ravine, just leaving the base and roots portion (very kind!). We will have that removed when Walter is able and gives us a good deal for a small job.

Mark Roberts for the Membership and Communications Committees reported no new updates for membership and the Communications Committee will begin working on the Fall Newsletter this summer. Shelby offered to take several pictures for potential covers for the Winter Directory/Sticker while everyone's yards were green and lush. She also commented that she's still trying to reach out to Thomas Worthy, the new City Councilman for COA District 7, so that we can interview him for the newsletter.

Transportation Committee was submitted by Shelby Cobb:

- Via the ATL311 Escalations Team, the Dept. of Public Works has completed all case numbers requesting signage clean up and removal of obscuring branches from signage.
- We are awaiting follow up with ATLDOT contact regarding a timeline for the previously requested speed and volume study and repaving of West Brookhaven Drive.

Ann Short reported that she has no updates regarding New Neighbors.

COB Zoning Chair, John Higley, has stated that he will investigate the house behind Duncan Donuts where the fence is still problematic.

New Business: We discussed the need for a Nominating Committee to fill any vacancies, nominate a President-Elect for the 2027 year, and confirm returning Board Members. Gene will work on this.

Gene proposed that we skip the July meeting unless there was an urgent need in which case he will call a meeting. The Board agreed.

President Hooff adjourned the meeting at 8:39 a.m.

Respectfully submitted,

Maribett Varner
Secretary
